Disposable breast pads

20 night pads

SCF253/20

# Comfortable through the night

## Breast pads for night time

Unique Philips AVENT breast pads SCF253/20 specially designed to help you stay dry and comfortable while sleeping.

### Other benefits

- Developed with breastfeeding expert
- Hygienic
- Silky soft feel

### Optimal comfort and protection

- All-round leakage barrier
- Overnight protection
- Ultra Dry

sense and simplicity

# Highlights

## Overnight protection

The Philips AVENT breast pads have wider shape and thicker core for added absorbency. Double adhesive strips to secure the pad in place.

## All-round leakage barrier

Designed for extra protection when lying down.

## Ultra Dry

The Philips AVENT breast pads have multi layers for super absorbency and a one-way topsheet that traps moisture inside the pad.

## Developed with expert

Developed with midwife and baby adviser Vicky Scott who has been supporting mums with breastfeeding for 15 years.

## Silky soft feel

Silky soft topsheet and breathable, natural materials. Dermatologically tested.
